

Customer Activation Card

Welcome to Nissan WiFi

To activate your account with Autonet Mobile, you will first need to know your 10 digit serial number. The serial number is located at the bottom of this activation card, on the device and on the box your device came in.

Once you have the serial number, please submit a completed service agreement online at <https://signup.autonetmobile.com>.

If you have any questions please contact our customer service center at support@autonetmobile.com or 1-800-977-2107.
